19603 Fernhaven, Katy, TX 77449 (281) 398-9692

#### **OBJECTIVE**

Obtain a software engineering or computational research position in a software development or IT company.

### **EDUCATION**

Research-based Master of Computer Science (MCS) University of New Brunswick, Saint John, NB, Canada Thesis Title: Multi-column bitmap indexing

Emphasis: Databases expected October 2011

 $Certification\ on\ Foundational\ CS\ Courses- Industrial\ perspective$ 

Aug-Oct 2009

Emphasis: .NET framework using C# INFOSYS, Mysore, Karnataka, India

Bachelor of Computer Science EAFIT University Medellín, Antioquia, Colombia

Jun 2009

#### **EXPERIENCE**

## Teaching Assistant

G.P.A. 4.3/5.0

2010-2011

Computer Science and Applied Statistics Department University of New Brunswick, Saint John, NB, Canada

- Assisted with instructional responsibilities for the following courses:
  - Introduction to Computer Programming in Matlab
  - Introduction to Data Structures and Algorithms (C)
  - Introduction to Computer Programming in Java
  - Computer Science Concepts (Java)

# Software Engineer Intern

 $\operatorname{Jun}\ 2008\text{--Jan}\ 2009$ 

ION Geophysical, Houston, TX 77449

- Developed in C++ a command line utility for indexing trace header information.
- Performed research on MySQL storage engines.
- Deployed google-breakpad, a multi-platform crash reporting system.

#### Programmer/Analyst

2007-2008

Biomecanica LTD, Medellín, Colombia

- Designed and developed a clinical history report system for Biomecanica, using PHP and MySQL.
- Developed and tested back-up software using PHP and MySQL.

#### Teaching Assistant

2007-May 2008

EAFIT University, Medellín, Colombia

• Assisted with instructional responsibilities for Compilers and Programming Fundamentals courses.

Web Developer

Summers 2004-2010

Panagro S.A., Medellín, Colombia

• Designed and developed various web applications and web pages.

• Programmed macros in Visual Basic for Excel worksheets.

# COMPUTER SKILLS

Languages:

• Proficient in: C/C++, Java, C#, Bash, Ruby, PHP

• Familiar with: Matlab

## Software:

• Database: MySQL, SQL Server

• Operating Systems: MS Windows, Unix, OSX

• Design: Illustrator, Flash

**ASSOCIATIONS** Society of Exploration Geophysicists (SEG)

2008-Present

**HONORS AND AWARDS** 

Top Performer of INFOSYS Training Program

Oct 2009

2007

GEMIS Award for Undergraduate Project on Viper-SUGUI

Semillero de Investigación de Recuperación de Información (SIRI)

May 2009

LANGUAGES

Fluent in Spanish (Read, Write, Speak)
